Launch of the New College Web Portal

We are delighted to announce the successful launch of the **New College Web Portal**. The new digital platform has been developed to provide faster, secure and user-friendly online services for students, teachers and office staff. All academic and administrative activities will gradually be shifted to this new portal.

Portal Features

Student Dashboard

Personal academic information in one place.

Online Admission

Apply online from anywhere.

Notice Board

Latest official notices instantly.

Result System

Online result publication.

Downloads

Routine, Forms, Prospectus & Documents.

Course Information

Complete course details and eligibility.

Campus Gallery

Events and campus activities.

Contact Information

Official contact details and enquiry support.

Mobile Responsive

Works perfectly on phone and desktop.

Secure Login

Enhanced security and protected access.

Fast Performance

Optimized loading and better user experience.

Modern Interface

Clean, responsive and easy navigation.

Important Instructions

- Students are requested to use the new portal for all academic services.
- Teachers should publish notices and academic information through the official website.
- Old website links will gradually be discontinued.
- Please report any technical issues to the ICT Cell.
- Keep your login credentials confidential.
